Dear Ms Sadiq,

The United Nations Inter Agency Gender Group (IAGG) would like to thank you for your participation as guest panelist at the IAGG quarterly forum *"It's more than just about the money": The business of injecting innovation into sustainable solutions for women's economic empowerment.*

We were honoured that you were able to share your experiences as an entrepreneur during the panel discussion on *"Experiences of promoting women's economic empowerment in Tanzania - success stories, good practices and reflecting on the future"*.

Thank you also for participating in the question and answer session and the round table discussion.

We look forward to your participation in future IAGG events related to women's economic empowerment.

Yours sincerely,
